ITEM#

Hatco Decorative Lamps provide radiant heat to briefly hold food warm at kitchen work areas, waitress pickup stations, or customer serving points, while enhancing your décor. Versatile enough for any location, the range of lights are available with a selection of unlimited personalizing choices. In addition to food warming, configurations for lighting (Luminaire) is offered as well.

FLEXIBILITY

The Hatco DL series offers great flexibility with standard and high watt bulbs, or lighting only applications, nine lamp shade styles, eight different mounting arrangements, four switch options, and twenty colors to customize your operation.

QUALITY

The following features assure the finest performance for years to come.

- Standard and high watt bulbs available.
- Models available in nine lamp shade styles.
- Eight different mounting arrangements to choose from.
- Four switch options.
- Available in seven *Designer* colors: Warm Red, Black, Gray Granite, White Granite, Navy Blue, Hunter Green, Antique Copper.
- Available in seven gloss finishes: Smooth White, Gleaming Gold, Glossy Gray, Bold Black, Radiant Red (lampshade only), Brilliant Blue (lampshade only), Clear Brushed Metal (lampshade only) (Special processing required)
- Available in six plated finishes: Bright Brass, Bright Nickel, Bright Copper, Antique Brass, Antique Nickel, Antique Bronze (Special processing required)
- Available for food holding and display, or lighting only applications.
